ANDY PREMIER

A top-tier professional billiard cloth manufactured with the finest wool for a smooth touch and consistent ball speed, the cloth maintains optimal playability and stable speed whether new or worn, it neither slides unexpectedly when it's new nor slows down over time. Adopted the HRA (Humidity Resistance Assurance) technology, it is unaffected by climatic variations, it ensures an accurate ball trajectory and speed at any circumstances.

ANDY 600T Club

Equipped with Stain and Spill resistance technology, ANDY 600T club ensures a clean playing surface all the time.
A true value of worsted cloth. No pilling or shedding.
Economy, durable and easy to maintain.
Durability pair, price cut fair.
